Infrastructure Investment Program

Warrnambool Rail Line Upgrade – Stage 2

Victoria

BUILDING OUR FUTURE

Australian Government Funding: \$208.0 million

Victorian Government contribution: \$52.0 million
Total: \$260.0 million

Project description

This project will deliver further upgrades to the Warrnambool Rail Line that will complement the works undertaken during Stage 1 of the project. Upgrades will include track works to improve the ride quality, reliability and resilience of the line for passenger and freight rail services.

These works will also assist with the introduction of modern VLocity-class trains onto the Warrnambool Rail Line and maximise the benefits of the new trains for passengers.

Jobs supported

- This project is expected to support 640 direct and indirect jobs, based on Australian Government estimates.

Project benefits

Benefits include:

- Improved passenger rail services.
- Improved connectivity between people with jobs and services, and goods with markets.
- Improved freight rail services.

Project timelines

- This project is expected to start in mid 2021 and is expected to be finished by late 2023.
