## SECURING AUSTRALIA'S RECOVERY

### Dear Local Resident

This year, Australia is continuing its **strong recovery** from both a health and economic crisis.

The Morrison Government has been taking all possible steps to **protect lives and livelihoods**, including unprecedented support for health care and mental health.

Our 2021 Budget is the next stage of **securing Australia's recovery**. It includes:

- ✓ further income **tax relief** for over 10 million low and middle-income earners which will boost economic activity and create jobs;
- ✓ incentives for investments and **jobs**;
- ✓ new **apprenticeships** and **skills training**;
- ✓ more **infrastructure** including safer roads and new rail upgrades; and
- ✓ substantial new investments in **aged care, health, mental health** and the **NDIS**.

Across Corangamite, the Morrison Government **continues to deliver** – whether it's sports and community facilities, new aquatic facilities, major road upgrades or new Geelong City Deal projects.

As the Morrison Government's representative for our region, **working together** we will continue to get things done.

Please let me know what matters to you and your family by filling in my **30 second community survey**, and don't hesitate to get in touch if I can be of assistance.

Best wishes

*Sarah Henderson*

### Massive boost for Geelong Refinery

The Morrison Government's **fuel security package** has delivered a massive economic and jobs boost to Viva Energy's Geelong Refinery.

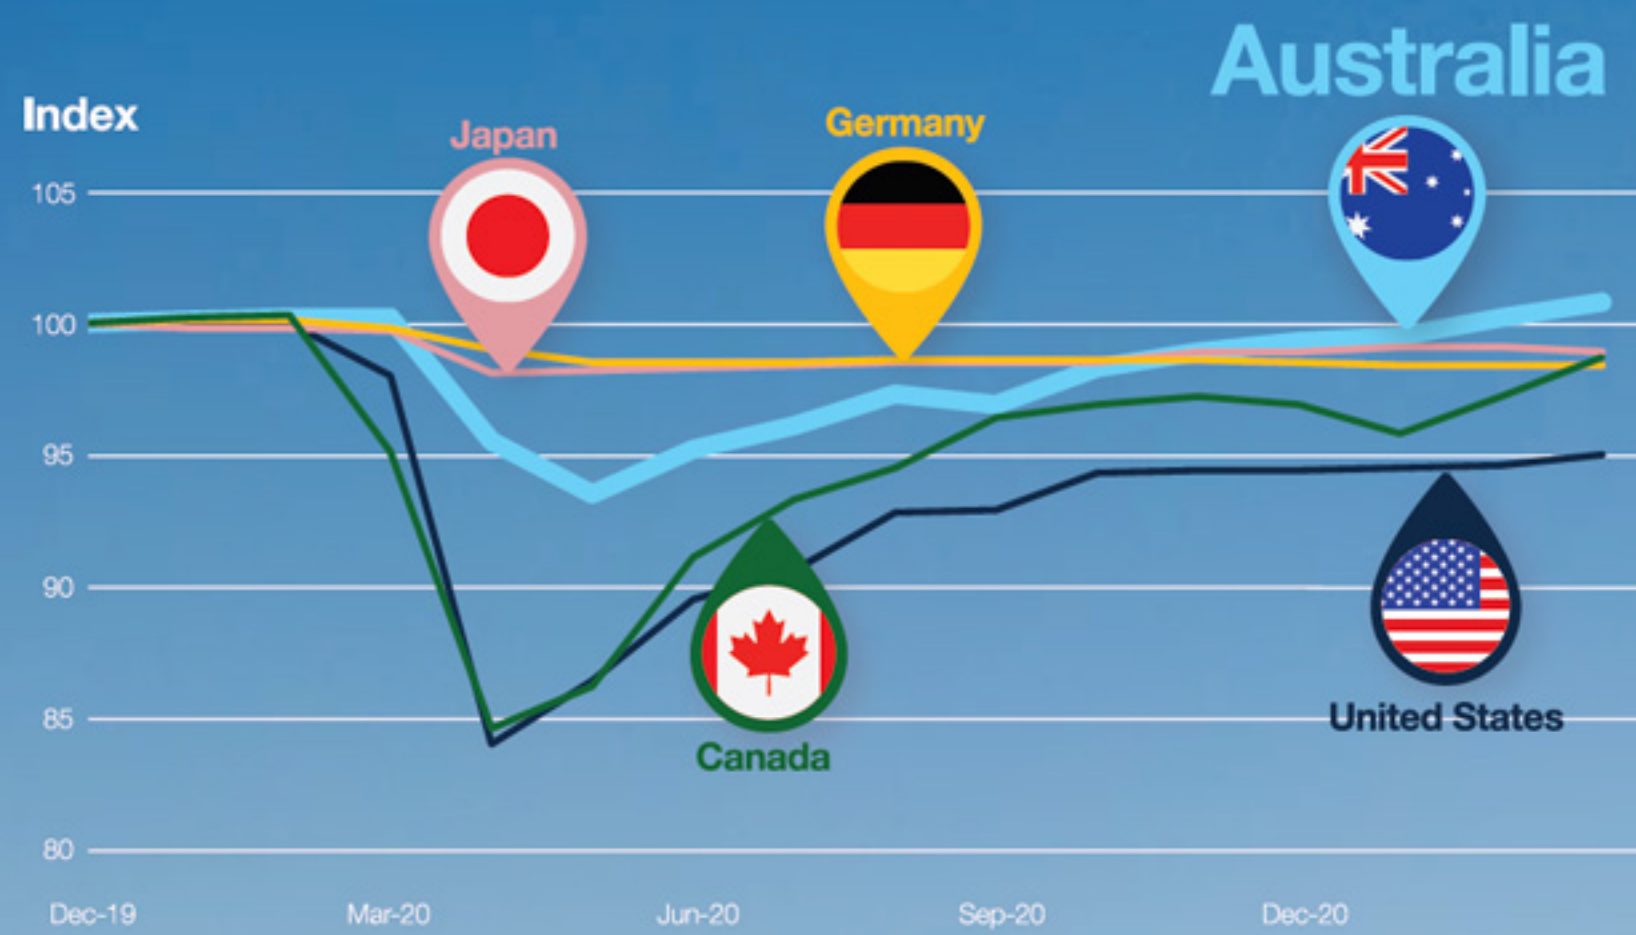

Not only does the package provide certainty for the refinery's **700 workers** and their families, it funds investment in better fuels, protects motorists from higher fuel prices and mandates minimum storage levels, delivering critical **fuel security** for our nation.

## TAX RELIEF

Over 10 million low and middle-income earners are getting additional tax relief this year – up to \$1,080 for individuals or \$2,160 for couples.

This **rewards hard work and generates activity**, which in turn helps local businesses and creates jobs.

## THE AUSTRALIAN

## Strategy 'the right track' to recovery

## SKILLS AND TRAINING

The Morrison Government is doubling its commitment to the JobTrainer Fund – supporting more than 450,000 new training places.

50% wage subsidies will support more than **170,000 new apprenticeships** and traineeships – building on the 100,000 new apprenticeships already supported.

## INVESTMENT FOR JOBS

Over 99% of businesses, employing 11 million workers, can write off the full value of eligible assets purchased. For example, this encourages a tradie or farmer to buy a vehicle, harvester or a manufacturer to expand their production line.

These incentives will further fill our nation's order books, and **generate opportunities for small businesses**, to buy, sell, deliver, install and maintain these assets.

## HOME OWNERSHIP

The Morrison Government is encouraging home ownership by: expanding the First Home Super Saver Scheme; helping 10,000 more first home buyers build a home with a 5% deposit; and helping 10,000 single parents purchase a home with a 2% deposit.

## SUPPORTING CHILDCARE

The Government will increase the Child Care Subsidy for families with more than one child up to five in childcare. **This will benefit around 250,000 families.**

The Government will also remove the \$10,560 cap on the Child Care Subsidy.

## HEALTH & MENTAL HEALTH

In total, the Morrison Government has committed \$20 billion to the vaccine rollout and strengthening our health system in response to COVID.

It includes **new medicines listed on the PBS** to treat breast cancer, lung cancer, severe osteoporosis, severe asthma and chronic migraines.

**Further mental health funding** will provide more headspace centres, a new network of 40 Head to Health centres and more services through Medicare.

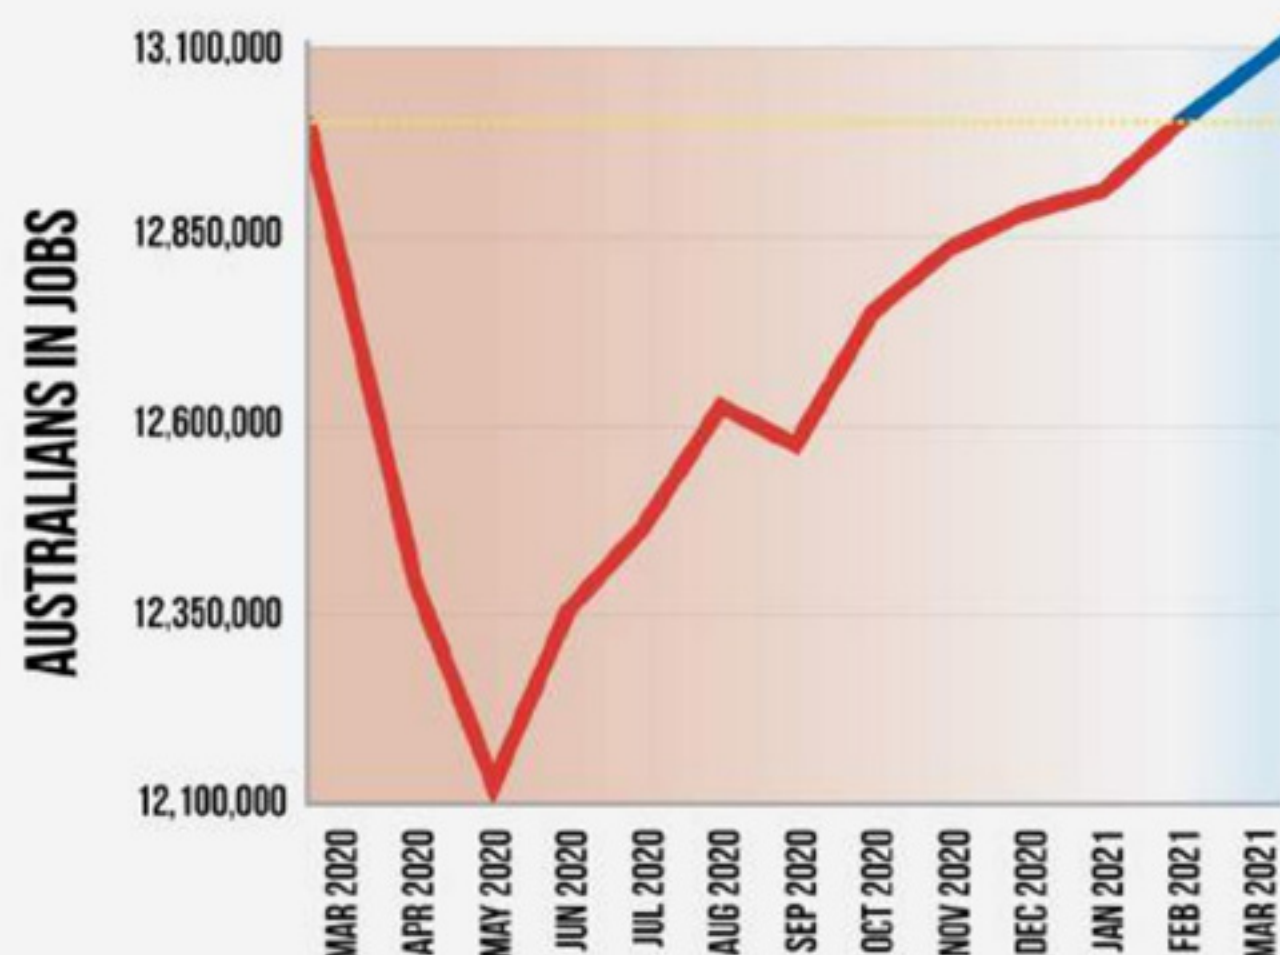

## IMPROVED AGED CARE

A further \$17.7 billion is being committed to significantly improve the aged care system. This includes another **80,000 new home care packages** (bringing the total to 275,000).

It also includes supporting 33,000 new training places for personal carers, higher payments for residential care, upgrading care in regional areas and stronger regulation.

## More Australians are in jobs than pre-COVID

## BUILDING FOR OUR FUTURE

The Morrison Government is investing in a 10-year, \$110 billion infrastructure pipeline to ease congestion, improve safety and build our economic future.

The Budget includes **substantial measures to encourage more R&D and onshore manufacturing.**

The Budget also includes further investment in dams and irrigation projects and technologies to reduce greenhouse emissions.

## WOMEN'S SAFETY

This Budget invests a further \$1.1 billion in women's safety, including: more emergency accommodation; more legal assistance; more counselling; and more financial support for those escaping abusive relationships.

## PROTECTING THE ENVIRONMENT

**Australia's emissions are now 19% lower than in 2005** and are at their lowest level since 1995. We have the world's highest uptake of rooftop solar in the world.

In this Budget we are investing a further \$1.6 billion to fund priority technologies, including clean hydrogen and energy storage.

The Morrison Government is also investing in upgrading recycling capabilities. The Budget includes \$100 million in additional funding to protect our oceans.

## KEEPING AUSTRALIANS SAFE

The Government is providing an additional \$1.9 billion over the decade to **strengthen our national security**, law enforcement and intelligence agencies.

To be prepared for a world that is less stable and more contested, the Government is also investing \$270 billion over 10 years in our defence capability.

# DELIVERING FOR CORANGAMITE JOBS

## GEELONG CITY DEAL

Under the **\$382 million** Geelong City Deal, **another \$69 million** will be delivered in the 2021 Budget for projects including the **Queenscliff ferry terminal** upgrade and **Great Ocean Road** tourism infrastructure.

## SOUTH GEELONG TO WAURN PONDS RAIL

With construction of a second platform and pedestrian overpass underway at **Wauran Ponds station**, another \$105 million will be provided in the 2021 Budget for stages 2 and 3 of this **\$893 million rail upgrade**, vital for people living in Geelong's southern suburbs.

## BARWON HEADS ROAD UPGRADE

The Morrison Government is funding most of the Barwon Heads Rd duplication between Settlement Rd and Reserve Rd, with **\$90 million delivered** in the 2021 Budget. This is wonderful news for residents living in **Armstrong Creek** and **Charlemont**.

## SAFER ROADS AND INTERSECTIONS

Across Corangamite, significant investment is being delivered to upgrade local roads and intersections including the **Surf Coast Highway** near Reserve Rd, **Murradoc Rd** on the Bellarine and the **Midland Highway** and **Clyde Rd** intersection, Bannockburn.

## BUILDING BETTER REGIONS

In the 2021 Budget, **another \$250 million** will be provided under the Building Better Regions Fund, which is supporting projects such as the **Queenscliff Community Hub**. A further \$1 billion is being delivered under the Local Roads and Community Infrastructure Fund.

## LOCAL TAX RELIEF

Around 62,900 taxpayers in Corangamite will benefit from tax relief of **up to \$2,745** this year. This is a result of the Morrison Government decision to extend the low and middle **income tax offset** to 2021-22 and the bringing forward of Stage 2 of the Government's tax relief plan.

### ON FIXING MOBILE BLACK SPOTS...

While the Morrison Government has delivered funding to **fix mobile black spots** across many parts of the electorate, some people continue to be impacted by poor mobile reception.

For too long, mobile network operators such as Telstra and Optus have taken local residents for granted.

Whether you're running a small business, working from home, studying or an emergency services worker, **mobile reception is vital**.

If you are impacted by a mobile black spot, please **sign my petition**.

### ON LABOR'S FAILURE TO FUND AN INDOOR POOL...

Backed by **\$10 million** from the Morrison Government and in partnership with local council led by Mayor Stephanie Asher, we have fully funded a stage 1 **outdoor 50 metre** pool for Drysdale, to be **heated all year** around, along with change rooms and kiosk. With a concept design released, this project is now in the fast lane.

Regrettably, the state Labor government has **failed** to provide any funding for this facility. Labor's Libby Coker went to the last election with **no funding** to build a pool on the Bellarine.

For the health and well-being of our community, we need Labor to fund a **stage 2 indoor pool**! Please **sign my petition**.
